Dear Senior High School Administration/Counselor:

The purpose of the National Association of University Women is to sponsor, promote, finance, and conduct educational activities designed to provide community outreach services to learners at every level of development. NAUW has served our community for over 100 years. Letissa Vereen serves as National President.

As the president of the NAUW Culver City Branch, in accordance with our organizational goals and objectives, I would like to request your assistance in recommending two (2) graduating high school students you feel as deserving of a scholarship to help them in their pursuit of a college education. Eligible students must be students in good standing with a G.P.A. of 2.5 or higher and must submit an official transcript, two (2) letters of recommendations and a typed autobiographical sketch stating why the student is seeking the NAUW Culver City Scholarship. The two-page application is enclosed and must be received in a complete packet with the above material, postmarked by **May 2, 2022**, and mailed to the address below or emailed to [nauwculvercity@gmail.com](mailto:nauwculvercity@gmail.com). (Application postmarked after this date will not be considered.)
