# Our Youth By the Pool

- <sup>3</sup> In these lay a great multitude of sick people, blind, lame, <sup>[b]</sup>paralyzed, <sup>[c]</sup>waiting for the moving of the water.
- <sup>4</sup> For an angel went down at a certain time into the pool and stirred up the water; then whoever stepped in first, after the stirring of the water, was made well of whatever disease he had.
- <sup>5</sup> Now a certain man was there who had an infirmity thirty-eight years.
- <sup>6</sup> When Jesus saw him lying there, and knew that he already had been *in that condition* a long time, He said to him, “Do you want to be made well?”

## Questions to Ask About Distance Learning

- Is DL really going to be Independent Study when student are not in school? Independent study means work is provided and done by student as a way of learning new material. (Similar to homework – No Teacher direct involvement)
- Is the DL really going to be videos of persons or maybe the teacher that can be watched any time? (Asynchronous Learning)
- Or....is DL a Teacher at a prescribed time, teaching as if in classroom with the student but ONLINE with ZOOM or the equivalent. (Most desirable & easiest to follow-up on...)

**This Fall Students Need Help with DL or a  
“Hybrid” of DL and Classroom**

**Independent Study**

**Assisted  
Teaching**

**Asynchronous Method**

**Synchronous Method**

**Traditional  
Homework  
Assistance**

## Sequence Math Issues – Degraded Semesters

**Distance Learning in the Future:**

**It May Become Common in HS and College Learning**

- **In response to COVID-19 Virus, HS and Colleges Have learned that Parents will accept DL**
- **College Cost Realities will require DL**
- **Studies of how youth want to learn have concluded that learning will be on a screen**
- **Problem: What do we do about students who “just cannot learn online”? Prepare them in SUMMER!! (smiles)**
